Exploring Electric Kiln Techniques

A Collection of Articles from *Ceramics Monthly*

Edited by Sumi von Dassow

Published by

**The American Ceramic Society
735 Ceramic Place
Westerville, Ohio 43081 USA**

Founded in 1953, *Ceramics Monthly* is an internationally distributed magazine on ceramic art and craft. Each issue includes up-to-date information on exhibitions, available materials and trends, as well as profiles of individual artists, critical analyses, production processes, and clay and glaze recipes. While principally covering contemporary work, the magazine also looks back at influential artists and events from the past.
